is'there' A: import re res = re.sub('[\t]', '', s) The s in your case is the string you want to filter out, and [\t] just means any \t character, not any tab, and that is what I use to substitute with an empty string. Grahame Parker (businessman) Grahame Arthur Parker (born 15 April 1952) is a British businessman. He was the founding partner and chairman of business management company The Parker School. He is also the vice-chairman and vice-chancellor of the London Business School and of the Open University. He has been a trustee of the Merton College, Oxford since 1994. Early life Parker was educated at Eton College and St Catharine's College, Cambridge. Career Parker was co-founder of The Parker School in 1990 with Spencer Lifford. The school, which was originally based in Notting Hill, relocated in 1997 to west London and was rebranded as the London Business School in 2014. Parker is the co-founder of the Parker Graduate Alliance, a collaboration with the French school of business

---

IESE and the French business school HEC Paris. Parker is also vice-chairman and vice-chancellor of the London Business School, where he joined in April 2014 as director of External Relations.
